6. UNDERSTANDINGS AND AGREEMENTS:

Application: Placement is limited and application does not assure a place in the Spoleto Study Abroad program.

Academic Expectations: All courses at Spoleto Study Abroad are on or above grade level. If accepted in the program, each student is expected to complete daily assignments in a timely manner and to maintain an acceptable level of achievement. Spoleto Study Abroad has no special program to meet the needs of the student who deviates markedly from the norm. It is not a special needs program and is not equipped for students with substantial learning disabilities or behavioral disorders.

Where accommodation is requested, Spoleto Study Abroad is willing to consider and make such reasonable modification of policies, practices, and procedures as would not fundamentally alter the nature of the academic/artistic program provided by Spoleto Study Abroad or present an undue burden. Given the above, if Spoleto Study Abroad determines at any time it cannot successfully meet the needs of any student or recognizes that Spoleto Student Abroad is not the appropriate educational situation for the student, it may withdraw the conditional acceptance or terminate the student's subsequent participation in the program.

Deposit and Fees: In consideration of your application processing, a \$75 application fee is required with this application. Tuition is \$5,800. Upon acceptance, an \$850 deposit is due by March 15, 2008 in consideration of program planning and reservation of your place in the program. The remainder is payable in full by April 30, 2008. The \$75 application fee and the \$850 deposit are not refundable. The tuition payment of \$4,950 is fully refundable until May 1, 2008. In consideration of such application process and program placement and preparation, it is understood and hereby agreed that **on or after May 2, 2008**, no refund of any amount will be owed by Spoleto Study Abroad to the undersigned or his/her family or school for any reason nor will any such refund be made should the student be withdrawn or dismissed from the program. For this reason, families are provided the opportunity to purchase travel insurance at the time of purchase of their tickets. Expenses are based on the exchange rate effective September 20, 2007. Prices are subject to equitable adjustment should there be a significant change in the rate of exchange by June 25, 2008.

APPLICATION INSTRUCTIONS AND PROCEDURES
SPOLETO STUDY ABROAD SUMMER SESSION 2008

Late applications will be considered as long as space remains available.

CRITERIA:

Students, ages 15 - 19, must have finished the 9th grade (film students must have finished the 10th grade) with a demonstrated proficiency in their area of interest via the submission of a portfolio or audition. There is no language requirement.

In examining completed applications, we ask two fundamental questions: First is this student prepared artistically and academically to meet the challenges of the program and, secondly, is this person going to make a good ambassador for school and country, taking constructive advantage of opportunities, exploring new interests and ideas, and making healthy contributions to the program. We examine teacher recommendations and the audition materials or visual portfolio to answer this first question. We rely heavily on the student essays and the recommendations to answer the second question.

AUDITIONS: Instrumental and vocal applicants must submit an audiotape or CD that demonstrates his/her instrumental or vocal proficiency. It should contain two contrasting works or movements from standard repertoire on the given instrument. **EXAMPLES:** Violin - one unaccompanied movement from a 19th century concerto with cadenza; Vocal - two arias of contrasting styles, one in a foreign language. Mark the audition tape or CD with applicant's name, school, instrument, vocal range (if applicable), names of pieces and composers.

Film Studies: Prior film-making experience is not required but helpful. Please submit an example of your work in the format of either a short video or film OR a 10-page sample screenplay. Please label your submission with name, title and date. This course requires mature individuals capable of cumulative learning and the ability to work independently and collaboratively.

PORTFOLIOS: Visual Arts & Photography portfolios should consist of examples of your work in any combination from the following areas: drawing, photography, graphic design, painting, printmaking, ceramics, sculpture and/or textiles. Submissions in all areas may be submitted as slides or on a CD. Place 10 examples of your work in a notebook sleeve slide-holder or burn 10 images of your work on a disc. Label disc or slides with applicant's name, school, medium, and size.

Spoleto Study Abroad strives to provide equal opportunity without discrimination on the basis of race, gender, color, national or ethnic origin. Similarly, Spoleto Study Abroad strives to avoid discrimination against disabled students. If, however, any requested modification of policies, practices or procedures to meet learning needs would fundamentally alter the academic nature of the program provided by Spoleto Study Abroad, it will not make such modification. Spoleto Study Abroad is not a special needs program and is not equipped for students with substantial learning disabilities or behavioral disorders.
